Anointing of the Sick

What is the purpose of the Sacrament? The Lord himself showed great concern for the bodily and spiritual welfare of the sick and commanded his apostles to do likewise. Those who are seriously ill need the special help of God's grace in this time of anxiety, lest they be broken in spirit and, under the pressure of temptation, perhaps weakened in their faith. That is why through this sacrament Christ strengthens the faithful, providing them with the strongest means of support. Only those who are seriously impaired by sickness, old age, or will be having serious surgery are encouraged to receive the sacrament. If you are hospitalized make it known that you are Catholic and inform your parish of your desire for pastoral care.
